NARRATIVE (describe proposal)

I hereby request to appear before the Planning Board with reference to the above application, with supporting documentation submitted, and that the proposed work is authorized by the Owner of Records and I have been authorized by the owner to make this application as the agent.

The Applicant understands that the consultants are contracted by the Town of Weston (the “Weston consultants”) and not the Applicant. The Weston consultants assist the Planning Board of the Town of Weston (the “Planning Board”) in its evaluation of a project under MGL Chapter 44 Section 53G but do not determine whether any project or aspect thereof will be acceptable to the Planning Board. The views expressed by the Weston Consultants during any meetings and correspondence with Applicant are not binding on the Planning Board and so are in no way any indication or guarantee that the Planning Board will approve Applicant’s proposed project, or will agree with Weston consultants’ or Applicant’s opinions. Accordingly, Applicant acknowledges and agrees that Weston consultants have no duty to the Applicant, and Applicant will hold harmless Weston Consultants with respect to the determinations of the Planning Board. Weston consultants are an intended beneficiary of this paragraph.
